The Lance Armstrong Foundation unites people to fight cancer, believing that unity is strength, knowledge is power and attitude is everything. We provide the information and tools people affected by cancer need to live life on their own terms. We take aim at the gap between what is known and what is done to prevent death and suffering due to cancer. We engage the public to make cancer a national priority. The LAF was founded in 1997 by cancer survivor and champion cyclist Lance Armstrong. UNITE at LIVESTRONG.org.

Thank you for your support.
